BOOKING TERMS

ETNAS SOUTHERN TIP'S SERVICES

Etnas Southern Tip is a self-service accommodation provider that runs a self-service website.

ALWAYS SELF-SERVICE

It is solely your responsibility to define and provide the correct information during the

booking process, as well as to assess the suitability of any establishment before booking. Do your homework by researching the different establishments and towns and by making sure that you will feel comfortable at the establishments. Make sure that you know the neighborhoods that you will be visiting and make sure that you know the route to travel before your departure.

BOOKING IS DIRECTLY WITH THE SUPPLIER

Any reservation you make using Etnas Southern Tip's Services is booked for you with a third-party supplier or homeowner (a "Supplier"). You acknowledge that Etnas Southern Tip acts as an agent of the Supplier, who undertakes to render the agreed accommodation service to you. Any right of recourse that you may have regarding the supplied accommodation will be directly with the Supplier, although Etnas Southern Tip is always willing to assist wherever possible.

QUOTES, RATES AND PRICES

All rates published on this website are subject to change without notice. Furthermore, rates displayed anywhere on this website, other than a quotation, are to serve as guidelines only. Only quotations offered directly to a user through the website constitute legal offers. Quotations are always subject to the availability of the Supplier.

While Etnas Southern Tip endeavors to display accurate prices; pricing errors do occasionally occur. In such circumstances, Etnas Southern Tip will reprice, even if the amount is included in a quotation or has already been paid for.

HOW TO CALCULATE THE TOTAL COST OF THE STAY:

The rate per night will be shown in the availability calendar. Take this rate and multiply it with the nights that you would like to sleep in the house. Add the applicable cleaning fee stated in the description and add R30 administration fee.
